Declaration of conformity REACH Regulation

Dear Sirs and Madames,

BAUSER GmbH & Co. KG is a "downstream user" as manufacturer of electronic products (eg time counter, battery controller, multifunction displays etc.) within the meaning of the REACH regulation 1907/2006 EC and is thus fundamentally not subject to registration under REACH.

The European Chemicals Agency ECHA has published on its website a list of substances of very high concern (SVHC) which meet the criteria of Article 57 of the above REACH Regulation and have been determined in accordance with the procedure laid down in Article 59 of the Regulation(echa.europa.eu/candidate-list-table).

With reference to Art. 33 (2) mentioned in the Regulation we inform you that our products contain no substances of concern according to the current SVHC candidate list in proportions over 0.1% by mass.

We make sure that our suppliers also take all necessary precautions to comply with the European Directive.

Mit freundlichen Grüßen / Kind regards
BAUSER GmbH & Co. KG
